I will do that—thank you SO much!!

OMG, look at the suddenly BLOATED page now, with the awful-looking update from yesterday. I literally had to post it in like 90 seconds. ZERO seconds to go through a single word of it!!

While you're in there:

EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife. Regular updates on the response for the public and the media will be published as they are available.
